The Eye Book: A Complete Guide to Eye Disorders and Health (Paperback)

By Gary H. Cassel, Michael D. Billig, Harry G. Randall

JOHNS HOPKINS UNIVERSITY PRESS, United States, 1998. Paperback. Condition: New. Language: English. Brand New Book. When all is well with our eyes, most of us take them for granted. But when our vision is blurred or our eyes are itchy and watery, it’s hard to concentrate on anything but our eyes. In The Eye Book, three eye care specialists present a comprehensive reference to help readers care for their eyes and protect their vision, with special attention to changes and diseases that occur in the adult years. After detailing how the various parts of the eye work together so we can see, the authors review everything that can go wrong—from myopia, hyperopia, and astigmatism to the major disorders of cataracts, glaucoma, and age-related macular degeneration. They also thoroughly describe each part of the eye and the problems that can develop, from the irritation of itchy eyelids and conjunctivitis to emergency situations such as a detached retina. They describe the signs and symptoms of all these problems and how to deal with them, including when to apply a warm compress and when to head to the emergency room. Medical and surgical treatment of both minor eye irritations and major diseases are...

Reviews

A very great ebook with perfect and lucid answers. It can be packed with wisdom and knowledge I found out this book from my dad and i encouraged this publication to learn.
