Reviews

Undoubtedly, this is actually the very best job by any writer. It is loaded with wisdom and knowledge. You will not really feel monotony at anytime of your respective time (that's what catalogs are for concerning when you check with me).

(Prof. Lawson Stokes IV)
Vanishing Grace: What Ever Happened to the Good News?

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Vanishing Grace: What Ever Happened to the Good News?, Philip Yancey, Why does the church stir up such negative feelings? This is a question that Philip Yancey has been asking all his life - for himself, as a pilgrim; for others, as a journalist. The question is more relevant now than ever: in the UK Christianity continues to decline, even as it is increasingly thought to be linked with intolerant, fundamentalist attitudes. Yet while identification with traditional forms of Christian religion is dropping, indicators show that interest in spirituality is rising. Why the disconnect? Why are so many asking, 'What's so good about the "good news"?' Yancey's lifelong writing career has always focused on the search for honest faith that makes a visible difference for a world in pain. In his landmark book What's So Amazing about Grace? he issued a benchmark call for Christians to be as grace-filled in their behaviour as they are in asserting their beliefs. People inside and outside the church are still thirsty for grace, Yancey points out. Perhaps what the church seemed to lack in its heyday is now, in its increasingly marginalised stance, exactly what it needs to recover in order to thrive. Grace can bridge the gap across the movement away from Christianity, inviting outsiders as well as insiders the chance to take a deep second look at why it matters and what could reignite its appeal to future generations. How can Christians offer grace in a way that is compelling to a jaded society? And how can they make a difference in a world of such wrenching need? Vanishing Grace: Whatever Happened to the Good News is a milestone book for all those who are striving to make sense of...
